

GERMAN LANGUAGE PROGRAM DETAILS

As most European countries, Germany operates in its native tongue, not in English. Therefore, it is vital that all the graduates of our programs reach a level of German language which allows them to carry out their jobs in Germany.

All our programs include intensive German language training made up of general language (A1-A2) and industrial, medical and nursing related German language on B1/B2/C1 levels, depending on the program of choice or profession category as shown below:

PROFESSIONS CATEGORIES FOR EMPLOYMENT IN GERMANY

The language classes are also open to outside participants (non-Atticus Academy students) who simply wish to have intensive language training for the purpose of relocating to Germany.

The language training at Atticus Academy is conducted in line with CEFR (Common European Framework of Reference for Languages) standards and training materials and testing used by the Goethe Institut or other equivalent or compatible program.

Language Program Duration

No	Program	Year	Months	Hours
1	SWS Program	1	8	30 Hours, 5 days per week
2	Industrial Program	1	4	30 Hours, 5 days per week
		2	4	30 Hours, 5 days per week
		3	all	Paid Internship in Germany
3	Nursing Program	1	4	30 Hours, 5 days per week
		2	4	30 Hours, 5 days per week
		3	all	Paid Internship in Germany

In addition, there is a language support classes of 1.5 hours per day, 5 times per week concurrent to the Industrial and Nursing classes. This enables the student to get acquainted with the language.

Our German language teachers are native speakers, specialise in teaching German as a Foreign Language (DaF) and have many years of experience.

Classes combine structured language learning (grammar, vocabulary etc) with as much interactive, practical parts as possible.
